NEW BEDFORD, Mass., Feb. 12.—A wrecking company today started the work of salvaging the government owned cargo of the British steamer Port Hunter, stranded on Hedges Point Shoal in Vineyard Sound. Hundreds of barrels of clothing have already been removed by Vineyard Haven fishermen, who were notified some weeks ago by the War Department to discontinue the operation.

## U. S. TROOPS SAVE ALLIES FROM TRAP IN NORTH RUSSIA

Bolsheviki Retreat as Ameri-  
cans Arrive After 30-  
Mile March.

ARCHANGEL, Wednesday, Feb. 12  
(Associated Press).—American rein-  
forcements, marching over thirty  
miles of a forest trail, reached the  
hard pressed British and Russians in  
the region of Sredmakrenga yester-  
day. The result was that the Bol-  
sheviki, who had been launching  
strong attacks in this region, retired  
to the southward, apparently aban-  
doning their offensive move.  
The Bolsheviki evidently feared  
that they would be cut off in the  
rear and they withdrew before the  
Americans reached Sredmakrenga.  
Conditions on other sectors of the  
northern Russian front were un-  
changed today.

## NEW ATTEMPT IS MADE TO KILL PREMIER LENINE

Bolsheviki Leader Escapes Injury,  
but Chauffeur Is Wounded—  
Assailants Executed.

LONDON, Feb. 12.—Refugees from  
Moscow report that a recent attempt  
to assassinate Premier Lenine was  
frustrated, according to a despatch re-  
ceived from the Stockholm cor-  
respondent of the Morning Post today.  
Lenine is said to have escaped  
without injury, but his chauffeur was  
seriously wounded.  
The assailants were executed, the  
correspondent said.

## GERMANY'S OLD ARMY NEARLY ALL DEMOBILIZED

After Saturday There Will Be Only  
About 450,000 Men Left,  
London Reports.

LONDON, Feb. 12.—The demobiliza-  
tion of Germany's old army is almost  
completed, according to authoritative  
information here. After Saturday,  
when the 1916 and 1917 classes will be  
disbanded, the German army will con-  
sist of about 100,000 men on the east-  
ern front and the 1918 and 1919  
classes, numbering about 450,000 men,  
which will be kept as a standard  
army.

Efforts of the German authorities  
to recruit volunteers for the army  
have been unproductive. Recruiting  
is hindered by the fact that nearly  
every hamlet is trying to raise its  
own defense force.

The British General Staff under-  
stands the German General Staff is  
still in existence and that much artiller-  
y is still in hand. The Germans,  
it is believed, could get plenty of men  
quickly if necessary, but the problem  
of stores would forestall any quick  
ambitious attempt to renew the fight-  
ing.

## Austrian National Assembly to Open on Feb. 17.

cording to dispatches received here to-  
day. One of the first subjects to be  
taken up, it was said, will be the union  
of German Austria and Germany.

## RED CROSS TAKES UP PLEA TO BAR CENTRAL POWERS

Allied Delegates to International  
Meeting Prefer Charges  
Against Germany.

GENEVA, Wednesday, Feb. 12.—The

movement to exclude the Central Pow-  
ers from the International Red Cross  
was debated at a meeting of that or-  
ganization held here today. President  
Ador of Switzerland was Chairman of  
the meeting, which was attended by  
delegates from Allied countries which  
preferred charges of violations of Red  
Cross privileges by Germany.

## Camp Devens Soldier Found Slain by Pistol.

AYER, Mass., Feb. 12.—The body  
of Maynard J. Padgett, a private in  
Company A, 36th Infantry, was found  
in the woods on the rifle range at  
Camp Devens last night. Camp au-  
thorities said that Padgett had shot  
himself with a pistol. Comrades said  
he had shown signs of melancholia.

REGULAR prices would have been \$5.00 to \$10.00 higher had we  
not bought the cloths when we did, and had we not elimi-  
nated wholesale profit by making the garments in our own shops.

They are not residuums of a depleted stock, but, for the most part,  
splendid, handsome Suits and Overcoats, designed and tailored in  
our own shops within the past few weeks. The fabrics are wonder-  
fully rich—neat patterns and modest colorings—and the variety

viduality. Men accustomed to custom tailoring will feel comfort-  
able when wearing them. Every Suit and Overcoat is peculiarly a

## Are You a Bolshevik?

Bolshevism is based upon  
violence, relies upon force,  
is deaf to right or reason.

To force the bowels to move  
by taking castor oil, pills,  
salts, mineral waters, etc.,  
is to outrage Nature and  
"bolshevik" the body. Be-  
cause drugs act by produ-  
cing irritation.

Castor oil, for instance, is so  
obnoxious that the bowels  
make frantic effort to get rid  
of it. Other medicines, from  
senna to salts, provoke ac-  
tion by causing the bowels  
to try desperately to expel  
them first.

With such remedies there-  
fore the removal of bowel  
waste is secondary and  
wholly incidental. Hence,  
the result is not to cure con-  
stipation, but on the con-  
trary, to make it worse,  
more obstinate, harder to  
overcome.

On the other hand, Nujol is  
not a drug, does not act like  
any drug, acts mechan-  
ically, not medicinally; per-  
suades Nature instead of  
forcing her.

Nujol supplies necessary  
moisture to soften intestinal  
contents and facilitate easy,  
thorough evacuation at reg-  
ular intervals. Nujol makes  
easier and more effective  
the action of intestinal  
muscles. Nujol absorbs  
poisonous material.

Nujol is free from any dele-  
terious after effects, forms  
no bad habits, can be used  
at any age, under any con-  
ditions, and overcomes con-  
stipation because it works  
hand in hand with Nature—  
with her laws, not against  
them.

Self-poisoning due to con-  
stipation causes over 90%  
of human illness. Get a  
bottle of Nujol from your  
druggist today, and send  
coupon for free booklet—  
"Thirty Feet of Danger."

Warning: Nujol is sold only  
in sealed bottles  
bearing the Nujol Trade Mark.  
Insist on Nujol. You may suffer  
from substitutes.
